THE ALEXANDRIA AND WASHINGTON TURNPIKE. -As shit in a dispatch from Richmond to the Gazette yesterday, Acting Commonwealth's Attorney C. C. Carlin, of Alex andria county, is in Richmond conferring with Attorney General Montague with reference to legislation looking to the forfeiture of the charter of the old Alexandria and Washington Turnpike Company. There is an interesting fight behind this movement. The tracks of the Pennsylvania Railroad, between Washington and Alexandria, run over this turnpike. It is claimed that the railroad company has violated the terms of its charter by not keeping the turnpike in repair. Mr. Carlin and Mr. Montague bave agreed as to what legislation is necesary, and a bill will soon be offered in the legislature. The Pennsylvania Railroad connects with the Richmond, Fredericksburg and Potomac, at Quantico. Should this act be passed and carried into effect, it would destroy the connection between these two roads. The real object of the proposed legislation seems to be to force the Pennsy vinia Company to put the turnpike it No. 325. B thove...
